Small and medium B2B businesses know that being paid in full and on time is more important than ever. Even a small delay can cause serious Cash Flow issues.

When a traditional Credit Insurance policy is too expensive, companies in the United States have now a new way to protect their Receivables.

Atradius introduces **Atradius Go**, the smart low-cost, no-hassle policy for smaller businesses looking for trade protection and safe growth.

Mitigating the risk of unpaid invoices begins today.
